"Small Business"

By C. Wilson Harder

These last ten days of June are probably the most dangerous days the nation has ever faced.

Whether or not this country goes into a complete dictatorship will depend a great deal on Congressional action on renewing so-called "emergency" laws that are expiring.

Renewal of the Price Control Law as well as the Marshall Plan comes up for Congressional consideration. C. W. Harder, already, the pattern of the coming dictatorship is etched over the face of the land.

"Price Controller" Michael DiSalle blatantly stated over a television program what bureaucrats want out of Congress. It's chilling to contemplate.

As DiSalle talked, rushing along the ether waves with his broadcast were echoes of the tramp of boot-shod Brown Shirts through Nuremberg, and the heavy tread of the heavy-hearted hopeless in parade past the high reviewing stand in Moscow's Red Square.

For the pudgy Fuehrer of Fuss and Confusion now wants Congress to give him authority to license every business in the United States. Then, he states, if any business violates any regulations he concocts he just suspends that business. The liquidation could be employed if violation were intentional, or accidental.

The charitable comment on his spoken demand would be that he is stupid. However, Di-

Richard Hensel,
Former Mokena
Druggist, Dies

Mokena has lost another native son with the death of Richard Hensel, who died early Tuesday morning in St. Joseph's hospital, Joliet. He was removed to the hospital late Wednesday night, June 13 and underwent surgery for a ruptured appendix. His condition seemed to be improving but peritonitis set in.

Mr. Hensel was born in Mokena August 18, 1868. As a youth he went to Chicago where he served as a pharmacist's apprentice to learn his profession. He returned to Mokena and opened a drug store in the Schiek building, where by coincidence he has been living since his retirement.

After a few years he returned to Chicago where he opened a drug store and later operated drug stores with his brother, Arthur, who preceded him in death. In 1923 he returned to Mokena and opened a pharmacy in what is now the Larson building, later moving into the Zumbstein building. On account of his health, he closed out the drug store about three years ago. Since living in Mokena he has served several terms as village trustee, school director and justice of the peace.

He is survived by his wife, Anna, four daughters, Violet Hearn, Dolly, of Mokena, Mrs. Ruth Grosse, of Chicago, and Mrs. Ethel Gardner, of Jacksonville, Fla., one brother, Otto, of Glendale, Calif., a grandson, Dick Hearn, formerly a pitcher with a National team and three great grandchildren.

Friends may call at the Hirsch chapel in Tinley Park Wednesday evening and Thursday afternoon and evening. The body will lay in state at St. John's Evangelical and Reformed church Friday until 2 o'clock when service will be conducted with Rev. William Riemann officiating. Burial will be in St. John's cemetery with Masonic graveside service.

Homecoming Set
For August 17, 18, 19

The dates for the 12th annual Mokena homecoming have been set for August 17, 18 and 19 and plans are progressing nicely to that end.

The site has not been picked as yet but three are under consideration. Stanley Williams is the general chairman and the committees who are working on the affair meet every Monday night at 8:30 in the Swanberg Farm and Auto Service office on Wolf road.

Last year illegal fireworks accounted for 245 accidents thru-out the state. Two children died and forty had serious eye injuries with 6 losing sight in one eye.

Salle is intelligent. Therefore, the eventual goal becomes alarmingly apparent. His further remarks substantiate this cause for alarm.

For he then says the nation's supply of consumer goods is possibly the highest it has been in history and predicted ample supplies in the foreseeable future.

He is too intelligent not to know if that is true, the law of supply and demand and free competition will regulate prices.

Congress could profitably consider a permanent "Anti-Dictatorship" for the U. S. Committee to be headed with all the intelligent zeal that marks Senator John Sparkman's (D. Ala.) chairmanship of the Senate Small Business Committee.

There would be a lot of work for such a committee. For example, there should be an investigation right now as to why American taxpayers should continue to give more billions of dollars to Europe.

Stuart Symington, new RFC head, condemns in a speech the world tin monopoly of British, Dutch, Belgian and Bolivian interests who jacked the tin price at the start of Korea from 74 cents per pound to \$1.80. Three of these nations have received billions of dollars of Marshall Plan gifts.

But the tin story does not end there. The Marshall Plan is giving tinplate to these countries from whom the nation now buys tin at these excessive prices.

Watch these ten days. American democracy is at stake. Americans can, and probably will, lose practically all freedom in these ten days unless Congress proceeds with caution.

DEDICATE NEW
ALTAR, MOKENA
METH. CHURCH

The Mokena Methodist church is the recipient of a lovely gift, an altar, which the church has never had.

It has been made possible through the kindness of Mr. and Mrs. Dean Rueckert, Sr., and Mr. and Mrs. Mark Tandy of Quincy in memory of their son and daughter who passed away in 1948.

The altar is made of solid oak by a Chicago cabinet maker and conforms to the style of furnishing of the church. A name plate on the altar will read: "In memory of Joan Tandy Rueckert and Dean E. Rueckert, Jr., 1924-1946."

At the morning service at 9:30 Sunday this gift will be dedicated by the pastor, Rev. Robert Prater, with communion following. The choir will render a special number.

Under The Cross
Of Malta

At Thursday's meeting the resignation of Commander Leiss was accepted and a new Commander elected. Comrade Leiss stated that his job would require him to work nights and that he could not continue to be our leader for the rest of the year. Perhaps sometime in the future he can accept the post and be able to hold it.

Comrade Schneider has been elected commander. To him we wish a successful year. Our wishes are not enough, however. It is for each of us to give him our whole hearted support and make this a successful year.

We have heard that there are some prospective recruits who wish to join our post. How about getting their applications signed and turned in? They cannot join unless someone gives them an opportunity to sign up. Let's be on the job and carry some application blanks around. They may come handy when you run into a prospect.

Why new members? Ours is a big program—national in scope. We are constantly on guard to protect the rights of veterans and to see that they are not forgotten by the legislators. Furthermore, we have an obligation to our comrades who were less fortunate than we, and are now hospitalized, or receiving medical attention. This work must continue so long as there is a soldier, sailor, or marine.

We need numerical strength to have any weight in our Congress or any place where we seek aid for veterans. You are aware of all these needs, but perhaps you need to be refreshed in order to point out our aims to the prospects.

There is much more to be said for the VFW for instance, we are the only veterans group who maintains a home for widows and orphans, but enough for now.—Eino L. Saarela, publicity.

Don't forget the dance on Saturday, June 30th.

To Drill at Orland
For Aerial Defense

Joseph Lebens, supervisor of Aerial Defense, announces a drill scheduled for June 23 and 24, starting at 8:00 a.m. Saturday and continuing thru to 5:00 p.m. Sunday, June 24. According to headquarters, this drill is very important.

A meeting will be held this evening, June 21 at 8:00 o'clock in the Orland village hall in preparation for the drill. Anyone who would like to volunteer their services any of the scheduled hours, are welcome to attend and if unable to attend, contact Miss Dorothy Tilsy, Orland 46W1. Men are urgently needed, especially for the night hours of the drill.

Announcement and
Approaching Marriage

Mr. and Mrs. Conrad Oetter, of Frankfort, announce the engagement and approaching marriage of their daughter, Faye June, to Jack McCormick Watkins, son of Mr. and Mrs. Andrew J. Watkins, of Ennis, Montana.

The ceremony will be performed in the St. Peter's Evangelical and Reformed church of Frankfort, on June 23, at 8 p.m. with the Rev. Erich Bizer officiating.

All relatives and friends are invited to attend both the ceremony and the reception that will follow in the church parlors.

An Editorial

WHY WE ARE FOR THE NEW
HIGH SCHOOL DISTRICT:

Because—the growing population of this whole area, which will make tuition an almost impossible proposition, especially so with the increasing of tuition charges.

Because—as our area grows, Joliet and other present high school districts are growing also, probably causing them to enlarge, which we would pay toward if we were in their district.

Because—if we would join another high school district we would take on their tax rate.

Because—by joining another district we would be paying taxes without representation.

Because—a high school of our own would increase our property value.

Because—with a property value of \$22,500,000 and if Orland Park desires to join us, they would have an additional \$8,000,000 assessed valuation which would give us, either way, a fully accredited courses-of-study school.

Because—our children would be attending a school with children of their own community and locality, and

Because—with our growing population we will need a high school.

Therefore—we urge everyone to vote in favor of this proposed new high school district, a benefit to themselves.

D. Chesnut-R. Kreis
Speak Vows June 9

At a double ring ceremony, June 9 at 7:30 o'clock in St. John's Evangelical church, Miss Donna Chesnut exchanged vows with Cpl. Robert Kreis.

The bride is the daughter of Mr. and Mrs. Edgar Chesnut of Joliet. The bridegroom is the son of Mr. and Mrs. William H. Kreis, 14737 S. Lawndale Ave., Midlothian.

The Rev. William J. Riemann officiated at the candlelight service before an altar decorated with Oregon fern. Mrs. Howard Strassenberg at the organ, played the wedding music and accompanied for Oliver Kiesler who sang "At Dawning," "Because" and "The Lord's Prayer."

The bride, given in marriage by her father, was attired in a gown of white satin with lace applied on the bodice and tiny covered buttons down the back. The sleeves tapered to a point and buttoned at the wrist. Lace bands were also applied down the front of the skirt continuing around the long train. Her fingertip illusion net veil was trimmed with matching lace and attached to a double brimmed straw hat. For something old she wore a lavalliere belonging to her mother. Her bridal bouquet was a cecilian orchid circled with stephanotis and springer.

Mrs. Hans Mueller attended her sister as matron of honor. She wore an orchid bouffant taffeta gown with allover lace bodice, cap sleeves, scalloped collar, and net overskirt. The elbow length mitts were of matching lace. Miss Clarabelle Sippel, of Monee, was bridesmaid. Her gown was identical to that of the matron of honor. Their bouquets and headpieces were of golden glorio roses and longhoni orchid iris interlaced with ivy leaves.

Miss Beverly Chesnut, sister of the bride, was candlelighter. Her orchid gown was similar to that of the other attendants with allover lace bodice and taffeta skirt. She had a wrist corsage of longhoni orchid iris.

The groom's brother, Donald Kreis, was best man and Richard Martie, Tinley Park, was groomsmen. George Kreis of Midlothian and Hans Mueller were ushers.

For her daughter's wedding, Mrs. Chesnut chose a yellow and grey print dress with white accessories. Her corsage was of white carnations and yellow roses. Mrs. Kreis wore an aqua crepe dress with lace trim and white accessories. She had a corsage of white carnations and pink roses.

More than 150 guests attended the reception held in the VFW hall immediately following the ceremony. The bride's table was centered with a four tiered wedding cake. Mrs. August Lundegard, sponsor and aunt of the groom, cut the wedding cake.

For their two-week Colorado wedding trip, the new Mrs. Kreis chose a navy blue and white linen suit with navy and white accessories. She wore a white orchid corsage which had centered her bridal bouquet.

The bride attended Joliet Township high school and is now employed at C. A. Roberts Steel company, Chicago. Cpl. Kreis attended Thornton High school and is now stationed with the U. S. Air Force at Chanute Field, Rantoul.

Blue Is. To Hold
July 4 Celebration

"Celebrate July 4th with us and be alive on July 5th", suggests Mayor John M. Hart, of Blue Island, in a general public invitation calling attention to the safe and sound Fifth Annual Independence Day celebration to be staged in Blue Island under the direction of the Lions Club.

The Junior parade, which will get under way at 1:45 p. m., will feature floats, neighborhood groups, pets, costumed figures, decorated doll buggies, wagons, and bicycles, and is limited to the smaller fry of school age.

The Senior parade which will include, according to present estimates, at least 100 entries, will get under way at 2:00 p. m. The Senior parade will have the following divisions:

Professional and amateur floats; bands and other musical units; decorated trucks; decorated automobiles, comic and marching units. The Wilson and Co. 6-horse hitch unit will be here, and the city of Blue Island's fire department will demonstrate their new 85-foot aerial ladder truck and pumper.

At least 7 musical units will be in the line of march, points out Lloyd C. Holmlin, general chairman. He has so far signed up the Scottish Kiltie Band from Back O' The Yards; Logan Square Drum and Bugle Corps; the Norwood Park Drum and Bugle Corps; the Ardennes Drum and Bugle Corps; the Le-mont Municipal Band; the Community High School Band; and the Blue Island Public School Band.

After the parade, which ends at Memorial Park, there will be a water carnival held at the swimming pool there and a community art show of the public grade schools. This will be in the Memorial Park field house.

The evening program at the high school stadium, 127th and Sacramento Avenue, Blue Island, will open at 7:00.

There will be a display of winning floats and the coronation of the queen in a beautiful ceremony. Musical background will be furnished by the Blue Island Liederkranz Chorus. A special demonstration of the Ardennes Drum and Bugle Corps will be given.

Nearly a dozen young women of Blue Island and vicinity are vying for the queen title. The winner goes a Chevrolet Bell Air hard top convertible. Audience participation awards include \$1,750 in government bonds, maturity value.

Ben Helford, Lions Club president during the past year, will be master of ceremonies at the evening performance which will be climaxed with an hour and a half fireworks display. There is no admission charge.

Special Meeting of
Mokena Trustees

At a special meeting of the Mokena village board held Friday night, the job of auditing the village books for the past year as requested by board members, was awarded to the Bramley-Knier company, of Chicago, certified accountants. The cost of the work will be \$300.00.

The board notified the village taverns to close during all elections, as required by the state. James Needham was hired to read the water meters. Dr. Ernest G. McMahon, Charles Rose and Kenneth Sherwood are on the Board of Health.

A representative of the Public Service company conferred with the board explaining their new system of sending out statements bi-monthly. He also described the new anti-rust equipment that is to be installed in the gas mains, 40 units being assigned to Mokena.

Wayfarers Postpone Picnic

At the meeting of the Mokena Wayfarers club held last Friday night at the Vets hall, it was decided that our picnic will be held on August 5th instead of July 29th as previously announced.

The Picnic Committee will meet on June 21st at Mr. and Mrs. Harley Mann's home for final plans in regard to games and prizes, refreshments and where the picnic will be held. All members who are on the committee are requested to be at the Mann residence by 8 p. m. June 21st.

Members of the committee are: Elmer Schoeneck, chairman, Harley Mann, co-chairman, Edward Bruisier, Norman Olson, Fred Lehmann, Eric Anderson, and John C. Janke.

Committee members from the Auxiliary are Mrs. Berle Needham, Mrs. Walter Schoeneck, Mrs. Eric Anderson and Mrs. John Goddard.

LETTERS TO
THE EDITORMokena News-Bulletin
Mokena, Ill.

Dear Editor:

Poor girl—you must get your information second hand. Just to set you straight and to enlighten the public as to who actually is trying to clean up and maintain the Pioneer Cemetery let us go back a bit.

At the May meeting of the village board one of the trustees who is also a member of the Civic Association, advised Mr. Spiess that the Civic Association would maintain the cemetery as a civic project and therefore save the village the expense of hiring someone to do the job.

A committee was appointed to do this job—which they did.

They worked and raked until dark, and after that time two of the committee had to attend a meeting of the Cub Scout council. It was at this meeting that the suggestion was made that the Den mothers take their Cubs and help along the project by finishing the raking up that was not completed at the time the grass was cut.

Boy Scouts and Girl Scouts did not enter into the picture at all. But we are quite sure they would have helped along had it been necessary to ask them.

We are quite sure the only pang that was felt were not of conscience but of sympathy for "Dear Elsie" the misinformant—who can now sigh with relief and try to get her information from a better source. We will let you in on a secret—the Civic Association cut part of the grass again Thursday night and hope to finish the job Monday. It is planned to cut this grass at least every two weeks or sooner if needed. We just wonder if you have any spare time Elsie you might make the boys some lemonade to help the project along.

Sincerely,
Mokena Civic Association,
Committee for Maintaining
Pioneer Cemetery

EDITOR'S NOTE:

So sorry we furnished wrong information to Elsie, about the Pioneer Memorial cemetery, for that is where Elsie got the idea the Cubs' fathers did the work. And we got our information direct from a Cub Den mother. She was so delighted that the grass had been cut in the cemetery that she at once called the editor of this paper and gave the information. This Den mother is a reliable citizen of the village, and we have never doubted her word. In speaking with her concerning the above letter and this controversy, she said that it is the way she understood the situation, and now has learned that it was the Civic club members who cut the grass. Some of them were also Cub fathers. Anyway, we are happy to give credit to whom credit is due, but best of all, we are more than glad that the Pioneer Memorial cemetery is now an asset to the civic pride of our community.

To Hold 'Open House'

Mr. and Mrs. Conrad Sangmeister of Frankfort will hold open house Sunday, June 24, from 2 to 5 and 7 to 9 p. m., in honor of their 40th wedding anniversary, which is June 21. All relatives, friends and neighbors are invited to attend.

There are just two more days left before the election when voters will go to the polls and cast their ballot on the question of forming a community high school district in Frankfort township and parts of New Lenox and Manhattan townships.

In order that everyone will be well informed on this issue, meetings have been held and literature sent out.

In Frankfort a meeting was held last week for a representative group and this evening another general meeting will be held in the Frankfort school for all people in their area including Lincoln Estates and all rural district schools. A meeting was held in Manhattan Tuesday night.

Notices have been sent out by J. Earl Robinson, president of the New Lenox board of education calling a meeting in the Haven school for Wednesday evening.

The Mokena Civic association, with the help of the local school board and various community organizations in Mokena have had a four page pamphlet printed and sent to each voter in the Mokena school district.

This pamphlet urges the "yes" vote on the question of establishing a community high school. Among the reasons given for the "yes" vote are: non-high school districts will be abolished as of July 1, 1953 and as this area is in a non-high district we might be able to continue sending our children to other high schools if they will accept them, but the rising cost of tuitions and transportation will make it more costly than building a school of our own; we will be able to control what our tax money buys in the field of education—home rule; children will get a better education because of no overcrowding, fewer pupils per teacher, better facilities and individual attention. In a school belonging to our own district we will have a voice in electing a school board.

If the vote Saturday is in favor of establishing this high school district, the next thing will be to vote to consolidate with Orland township, then elect a board of education. After that has been accomplished, this group of people has the responsibility of looking for a site which will be central to the area. They will probably have more than one site to offer the voters who will again go to the polls and choose the site most desired by the majority of voters.

The polling places are: precinct 1, Frankfort public school, for those who live in the south half of Frankfort township.

Precinct 2, Mokena public school, for all who live in the north half of the township.

Precinct 3, Haven avenue New Lenox, for all voters who live in New Lenox township except sections 6, 7, 18, 19, 30 and 31.

Precinct 4, Manhattan public school.

The hours of voting are from 12 noon daylight saving time until 7 p. m.

Henry Tilsy Hurt
In Tractor Accident

Henry Tilsy is convalescing in his home from injuries he suffered in a tractor accident Sunday evening June 10. Mr. Tilsy, aged 82, had driven the tractor to the Herman Konow residence on an errand. He left the tractor in reverse gear. As he stood behind it to start it, he was knocked down and the rear wheel ran over his leg and against a rock pile where the motor killed.

Mr. Tilsy pulled himself up and drove the tractor home which is about 1½ miles. The family quickly summoned a doctor and it was found that Mr. Tilsy had deep cuts in his right hand and bruises and cuts on his leg. It was fortunate that he was wearing heavy leather chaps which may have helped to prevent a fracture. Mrs. Konow and two children were home alone and they were unaware of the accident until later in the evening. Mr. Tilsy said he didn't summon them because he knew they were alone and there was no phone at their residence.

Entirely New, Proven
MICROSOL FOG GENERATOR
is Fast, Easy to Use, and Efficient

Model 202

Here is good news on fly and insect control! By a revolutionary new method, the Microsol Fog Generator gives more complete, longer lasting coverage of insecticides than is possible with conventional spray machines.

Every second the Microsol Generator is in operation, it produces and distributes millions of insecticide molecules less than 1/500th of an inch in diameter! These accumulated molecules create a penetrating aerosol fog or mist that remains suspended in air, giving the insecticide lasting, deadly effect as well as instant action.

The Microsol Generator is small and weighs only 11½ pounds. To operate it you simply fill container with any insecticide (with water or oil base, ready-mixed or home prepared) and place the machine in center of area to be fogged. Turn the switch and regulate handy valve for density of fog. Spray a cow in seconds... the barn in minutes... with an insecticide fog that reaches even tiniest crevices.

Plan now, before fly time sets in, to investigate this latest improved method of insect control. Microsol Fog Generators are now being used successfully in dairy barns, poultry houses, stables and other buildings. See your local Public Service Company Engineer for additional information.

The Good Luck camp of Royal Neighbors are meeting today June 21, in the home of Mrs. Bruce Anderson. Assisting hostesses are Mrs. George Welter, Mrs. Marion Ziesmer and Mrs. Harry Reed.

The missionary society will hold a meeting in the Homer church Thursday, June 28. A pot-luck dinner will be served at 12:30.

Miss Rose M. Brankey, daughter of Mr. and Mrs. B. D. Brankey was recently awarded a B. S. degree at St. Xavier college for women, Chicago, and also a graduate nurse's certificate from Mercy hospital school of nursing, Chicago.

Mr. and Mrs. C. M. Storm of Montana spent several days in this vicinity last week with relatives and friends. They were returning to their home from Detroit where they purchased a new car.

Ralph Burch, his daughter, Mrs. Earl Woodbury and her daughter, Kaye of Wisconsin, visited relatives here last Friday and Saturday. They accompanied Mr. and Mrs. George Coggins and Mr. and Mrs. Clifton Woodbury, also of Ladysmith, Wis., who came to attend the Cub ball game in Chicago Friday.

Douglas Trapp of Oak Lawn was the guest of Michael Roberts family a few days last week. Richard and Robert Cogswell of Palos Park spent the week with their cousin Johnnie Cobb.

David and Jimmie McGuire of Manhattan were guests of their aunt, Mrs. Gene Anderson, and family during the past week.

Mr. and Mrs. Frank Milne and Lewis Barr made a business trip to Walnut Friday.

Bobby Reisman of Wausau, Wis., was a recent guest of his cousins, Mr. and Mrs. Henry Hiller, Jr.

Manley Haley who, with Mrs. Haley, is spending the summer in the home of his brother, Adolph, was taken to Silver Cross hospital last week for observation.

Mrs. Fred Lauffer was a Sunday caller in the Richard Gorman home.

Mr. and Mrs. Willard G. Rowley are living in the George Milton, Sr., home, temporarily. Willard will attend summer school at the U. of I.

Mrs. Margaret Magerstadt is a patient in Silver Cross hospital, having suffered apoplexy stroke last Saturday.

Callers in the Henry Burch home Father's Day were Mr. and Mrs. Frank Milne, Lewis Barr, Mr. and Mrs. Willard A. Rowley, Mr. and Mrs. Harold Finley and Bobby.

Mr. and Mrs. Daniel Maffuccio have moved to the Harlow Jungles home.

Mr. Sargent of Joliet, a cousin of the late Mrs. Guy Bump, is spending some time with Mr. Bump.

Mrs. Leroy Markel of Michigan City, Ind., was a Sunday visitor of Mrs. Minnie Sproat.

Mrs. Emma West is recovering from a recent attack of flu.

Gregg Carlson was a victim of the mumps last week.

Sunday picnic supper guests in the Ray Carlson home were: Mr. and Mrs. Rocco Sinderson and daughter, Lucia; Mr. and Mrs. Beryl Longman and sons; Mr. and Mrs. Roy Whitley and children; Mr. and Mrs. Robert

Oliver and daughter; Mr. and Kermit DeGarmo; Mr. and Mrs. Verne Pierson and children, all of Joliet.

Among the wedding guests at the marriage of Miss Barbara Moehl and Elmer Ott in the First Methodist church in Lockport, Saturday, were: Mr. and Mrs. George Welter; Mr. and Mrs. George Ott; Mrs. Bruce Anderson and children and Mrs. Owen Storm.

Following the ceremony they attended the reception in the church parlors and then were invited to the bride's home for a look at the many lovely gifts.

Show for Bride-To-Be

The home of Mrs. Bell Storm, Maple road was the scene of a pretty pre-nuptial shower last Friday evening when Miss Eleanor Kopleman was the honored guest. The hostesses were aunts of Miss Kopleman; Mrs. Storm, Mrs. C. G. Rowley and Mrs. Henry Rodgers assisting. Early in the evening, a corsage was presented to the honored guest. Appropriate games were played with prizes for the winners and duplicates for the bride-to-be. Delicious refreshments were served to approximately 35 guests and many beautiful gifts were received.

DOUBLE CELEBRATION

Father's Day and the twenty-fifth wedding anniversary of Mr. and Mrs. Otto Gerhardt of Milwaukee were celebrated Sunday in the home of Adolph Haley at Goodings Grove. About 40 guests assembled on the lawn of the home where a cafeteria lunch was served at noon. Among the guests were the best man and the maid of honor of the quarter of a century ago wedding. They were Harold Gerhardt, of Maywood, brother of the groom, and Miss Ruth Woods of Chicago.

Pictures of the bridal party and of the company were taken by Mr. and Mrs. Gerhardt's twin sons. Guests were present from Racine, Wis., Rantoul, Chicago, Maywood, Joliet, Plainfield and Homer.

HOMER CHURCH

Sunday, June 24, 1951
Sunday school 9:45 a. m.
Worship service 10:45 a. m.

Loyalty Day will be observed at which time members and friends will make their annual pledge to the church budget. A dinner which will be arranged by Mrs. Harold Drewes and Mrs. Reed Burch will be served immediately following the worship service; every one is cordially invited to attend.

More than fifty pupils were enrolled in the vacation bible school which was held in the church during the past week. Children from Wausau, Wis., Gary, Ind., Palos Park and Manhattan were among the attendance. An interesting feature was the planting of a flower garden on the church lawn, which was directed by Miss Glenna Hammel of Joliet.

Public Service Co. To Institute New Bill Payment System

More than 600,000 customers of the Public Service Company of Northern Illinois will soon be paying their electric and gas bills every other month instead of monthly, according to a proposal filed by the company today with the Illinois Commerce Commission.

Reasons given for the proposed change are operating economies, customer savings and convenience, and conservation of manpower. Public Service plans to start putting the new program into effect in August.

The company informed the commission that the proposed changeover from monthly to bi-monthly billing is primarily in the interest of economy. Annual savings of \$500,000 (before federal income taxes) are estimated. It was also pointed out that the new program would be a convenience to a vast majority of the company's customers who would pay bills six times a year instead of twelve as at present. Customer savings in postage, checks, money orders etc., are estimated at \$100,000 a year.

The company asserted that it had been following a policy of strictest economy in keeping with good service in an effort to offset rising operating costs. Despite this policy, expenses are still rising, it was said.

"This request, if granted, will be another major step in our efforts to keep electric and gas rates as low as possible in the face of higher operating costs," a company statement said. "Reading meters and preparing and mailing bills to more than 800,000 customers each month is a costly operation."

"The plan should be a convenience for the vast majority of our customers. The average monthly residential electric bill today is about \$4.81. Under the new plan the average electric bill would be \$9.62 every other month instead of \$4.81 each month."

"For general gas customers, exclusive of space heating and water heating, the average residential bill is now \$2.16 a month. The average residential gas user, therefore, would pay \$4.32 every other month."

The company proposes to notify customers—electric and gas—that they may make payments

on an estimated basis in the months in which they do not receive bills, should they prefer to do so.

The company said that bi-monthly billing will also conserve manpower now being affected by the defense program. With many employees going into the armed forces, the program will involve no layoffs.

Large commercial and industrial users, government agencies

municipalities and schools will stay on a monthly basis, the company said.

For customers who use gas for space heating, a two-way choice would be available: (1) bi-monthly meter reading and billing under the new plan, (2) bi-monthly meter reading with a budget payment plan under which the annual gas heating bill can be paid in monthly installments throughout the year.

WHAT A RELIEF From Rheumatic Muscle Pain!

Now you can get quick-action, temporary relief from local superficial pains of rheumatism, lumbago, neuritis, bursitis, sciatica, arthritis as well as fatigue and muscular aches and pains of simple colds with the new ointment—SURIN—because SURIN is based on a new application of a principle. It contains an active modern research drug—methacholine chloride, a powerful ingredient to dilate surface blood vessels when applied to the point of pain. SURIN provides double action pain relief. (1) It increases blood supply (2) allows local, relaxing agents, vasopier and menthol and local analgesic to penetrate faster giving quick, temporary relief at the point of pain. In a few minutes you feel the soothing warmth from SURIN. Then follows blood re-heating 1 to 2 or more hours. No internal dosing—use SURIN locally. Not an ordinary rub ointment or liniment. SURIN has a new ointment base, creamy-white, smooth. Easy to apply. Will not stain washable fabrics. Quickly washes off in warm water. Money back at your drugstore if not satisfied!

*SURIN is not intended as a cure or treatment of above diseases. It is to be used only for temporary relief of local superficial pain.

PUBLIC NOTICE

Notice of Proposed Change in Electric Schedules E-2 and E-2-0
Public Service Company of Northern Illinois hereby gives notice to the public that it has filed with the Illinois Commerce Commission on June 15, 1951, the proposed revisions and cancellations listed below:

1. The revision of the following commercial and industrial rates and rider:
Rate 6, General Electric Service
Rate 11, Industrial Electric Service
Rate 12, Industrial Electric Service
Rate 13, Industrial Electric Service—Off-Peak
Rate 77, Ice Making Service
Rate 78, Commercial Electric Service
Rider 18, Public Grist Mill—Limited-Hour Service
These rates and rider are being transferred to the Company's new schedule applying to its entire territory. Rates 11, 12 and 13 provide reductions in minimum charges. In addition a change in application of charges is proposed for Rate 13 which will affect only off-peak demand billing in excess of 25,000 kilowatts. There is also an increase in charges proposed for Rate 6 affecting larger customers on the rate, most of whom will be able to take advantage of the lower charges on Rates 11, 12 and 13. Rate 77 proposes the incorporation of a fuel clause for large ice-making customers. Rate 78 is made applicable to the entire territory of the Company. Rider 18, an obsolete rider, is revised to provide for progressively higher maximum charges each year and cancellation of the rider on January 1, 1954.

2. The cancellation of the following obsolete rates and rider:
Rate 77, Large Power and Light Service
Rate 81, Industrial Electric Service—Off-Peak
Rider 16, Limited-Hour Service
The billing for the customers now served on these obsolete rates and the obsolete rider will generally be reduced when service is taken under Rates 11, 12 and 13, with their lower charges and the proposed reduced minimum charges.
Rate 84, School Electric Service
The seven remaining schools still served under this rate may take service under the governmental Rate 22 or Rate 6, General Electric Service with certain increases in charges.
It is estimated on the basis of use, during a recent 12 month period, that the proposed filing will result in a slight decrease in the Company's revenue.
Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.
A copy of the proposed change in the schedules may be inspected by any interested party at any business office of this Company.

PUBLIC NOTICE
Notice of Proposed Change in Electric and Gas Schedules.
Public Service Company of Northern Illinois hereby gives notice to the public that it has filed with the Illinois Commerce Commission on June 15, 1951, proposed Riders entitled "Bi-Monthly Billing" which provide for payment of residential and certain commercial electric and gas bills every other month instead of monthly. Any customer desiring to make advance monthly payments, may do so. Customers will be notified of the proposed change before bills are rendered on a bi-monthly basis.
Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

"Just Been Thinkin'"

Reading and observing are two of the finest teachers in the world. Yet most of us rely on personal hardship and painful experience to obtain our individual wisdom. Only the truly wise are able to avoid many of life's greatest griefs in the pursuit of happiness, and much of their success comes from studying

THE MISTAKES OF OTHERS

Learn from mistakes of others
That you be spared their grief
For those depressed or fallen
Are cures for false belief.

Take note of all men's errors,
Not that you may condemn,
But that you gain the wisdom
Without the pain, from them.

Avoid the present pitfalls
By vigilance and will—
Few men fall down the
mountain

Who do not tempt the thrill,
Learn from mistakes of others,
And by your tempered
thought

You will be victor over
The foes you never fought!

Will County Fair Be Alive on the Fifth

The directors of the Will County Fair Association have again endeavored to interest more exhibitors by adding classes to the premiums.

There has been increased interest and inquiries about Suffolk sheep in the past year. Therefore, in an effort to encourage any new breed line which shows promise, the directors have incorporated a complete premium list for Suffolk sheep in the 1951 fair catalogue.

There has been a decreased interest in the showing of steers by our Junior Department. From all the inquiries which the di-

rectors made, the only objection seemed to be that the premiums awarded were not sufficient to warrant the showing of steers. This objection was increased by the fact that there was no open classes for steers.

In order to correct this objection and make the showing of steers more attractive to the Junior exhibitors, there have been added to each breed of steers a championship class with an eight dollar premium, and a grand champion steer over all breeds with an eight dollar premium. This means that one Junior

exhibitor may possibly win his weight class in his breed, championship in the breed and grand-champion which would make him a possible prize winnings of \$24.00 on the one steer. Likewise two other exhibitors may win sixteen dollars each for winning champion in the breed in addition to the weight class.

The directors of the Will County Fair hope that this will stimulate greater interest in the showing of steers. The fair will be held on Friday, Saturday and Sunday, August 24, 25 and 26.

MOKENA-FRANKFORT G. S. DAY CAMP AT VAN HORN WOODS

The combined Mokena and Frankfort Girl Scout Day camp at Van Horn woods last week had an unusual amount of birds in its sanctuary. Upon visiting Unit 18 Brownies were to be seen busy building their little nests; in Units 2, 10 more Brownie Red Winged Blackbirds cleaning up around their home; in Unit 3, 15 Intermediate Red Headed Woodpeckers pecking away at their duties; in Unit 4, 17 Intermediate Chick-a-dee's gaily fluttering around with their daily tasks; and off in the distance could be heard 15 more intermediate Mocking Birds singing and going about their chores in the same manner as their other bird friends.

Each unit's feeding station was well supplied with bread, meat, vegetables, salad, milk and dessert. The menu makers were just one jump ahead of the current beef shortage too! Our little fine-feathered scouts had chili one day and Hawthorn Surprise with beef another day, and let me add there wasn't any left for the crows.

The girls had their choice of program activity this year which worked out very well. Activity tables of painting and sketching, clay modeling and craft had special consultants and were well attended. Then too, the faithful camp nurse, Mrs. Hugo Niethammer, after making her daily morning round of temperature taking, had a First Aid class in the afternoon.

Mrs. Shoop and Mrs. Reid took the girls on nature snoopers and hikes through the woods pointing out the different kinds of trees, birds, wild flowers and laying trails.

Mrs. Bills could be heard from time to time teaching her fledglings songs, games and folk dances.

Flag ceremonies were held each day, and one day a fire alarm (false) was rung in which the girls came from all directions with their water buckets in record-breaking time. The last day in camp after lunch each unit put on a delightful skit in keeping with their bird name. A display table was set up with the girls finished products being shown in sketches and paintings, pins and clay products.

There is a great deal of preliminary preparation and training connected with a successful Girl Scout Day Camp, and by the girls comments and reactions they are already looking forward to day camp next year.

Deserving of much credit is the Day camp director, Mrs. Thomas Powers, and assistant director, Mrs. T. Arthur Shoop; chairman of Day Camp committees Mrs. George Reid, with Mrs. Harold Cooper in charge of transportation and Mrs. Albert Cappel in charge of gathering equipment. Unit leaders and their assistants, Mrs. Geo. Polzin; Mrs. Leo Peterson; Mrs. Richard Sippel; Mrs. Martin Miller; Mrs. Russell Anderson; Mrs. Julian Perry; Mrs. Bert Larson; Mrs. Wesley Cappel; Mrs. Walter Grotewold; Mrs. Edward Hentsch; Mrs. Lynn Kohlhaugen; Mrs. Leroy Mager; Mrs. Harry Miller; Mrs. Donald Maue and Mrs. Robert Gilmore. Senior Scouts Pat Reid, Barbara Geuther, Helen Rueckert and Florence Burgeson were headquarters aids. Special program consultants were Mrs. James Fasset, painting and sketching and Mrs. Herman Lorenz, her assistant; Mrs. John Marti, clay modeling; Mrs. Geo. Bills, singing and games.

The committee thanks the Boy Scouts who watched over camp sites at night, and the others in the community and surrounding territory who worked and cooperated in making the Girl Scout day camp a success.

Miss Gretchen Reighard, Executive Director of the Girl Scout Council of Will County, Inc. in Joliet visited camp one day, stayed for lunch and acquired the bird spirit with her tour of the units. She said she was very pleased and proud with our day camp results.

How Social Security Affects You

By Clarence H. Klepper

Since 1937, when the Federal Government set up the Social Security Administration, millions of workers have been eligible to receive the benefits of the social security program. The law was amended in 1950 to include most self-employed persons. Generally speaking the main groups of self-employed persons not now covered are farmers and certain professional groups.

If you are covered by the new law you must pay the social security tax, and you cannot choose whether or not you will be under social security.

The payments received from social security come from a fund set up by the government. Employees, employers, and individuals who own their own business contribute to this fund through a social security tax.

You have a right to social security benefits if you work at any job or position that is covered by the law. This is called covered employment. It is not necessary for you to be in covered employment all your working life to get benefits, but if you never have been under social security or do not now come under it neither you nor your family will be paid benefits.

The length of time you have been in covered employment is measured in quarters of a year. The total number of quarters of coverage determines whether you are fully insured, currently insured or not insured at all.

The benefits payable under social security include (1) a monthly retirement benefit

made when you reach 65 and retire, (2) a monthly insurance benefit paid to your survivors and (3) a lump sum death benefit.

The amount of the benefits received depends on the average monthly wage. This will be discussed more fully in a future installment.

Have your wheels balanced the new Hunter way.

Balanced wheels give better tire wear and smoother riding.

We can now balance your wheels on the car. 24 Hour Road Service

MM HARVESTORS

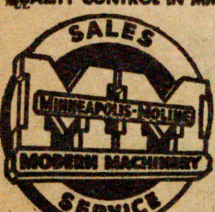

LOWEST COST PER BUSHEL, PER ACRE

Whether you choose the MM G4, the 69, or the mighty Self-Propelled Harvester with Powerbow Drive, you get the features that count! Exclusive MM cylinder feed eliminates slugging, assures even feeding at all times. Sturdy rasp-bar cylinder and one-piece, all-steel welded concave and grate provide uniformly gentle threshing without cracking the grain or breaking the straw to bits! Exclusive MM grain pan assures a steady, evenly distributed flow of grain toward the cleaning shoe and prevents bunching.

Unit-Matic Power of MM tractors can be used for automatically lifting, lowering, and varying the height of cut from 2 to 40 inches on the Harvester 69, on the G4, or on an MM Windrower.

We will be glad to give you complete information concerning attachments, prices, and booklets on these and other quality-built MM Modern Machines and MM Visioned Tractors.
